

7th International Symposium on Process Tomography 1-3 September 2015, Dresden, Germany

Announcement

Special Issue on Process Tomography *Journal: Flow Measurement and Instrumentation*

Dear participant of ISPT7,

with this early announcement we would like to inform you about the possibility to submit a technically expanded version of your conference paper of the

7th International Symposium on Process Tomography, Sept. 1-3, 2015, Dresden

for a Special Issue on Process Tomography, which will be published by *Flow Measurement and Instrumentation* (Elsevier). If you feel, that your contribution is of high quality and fairly enough progressed to publish it as an archival paper you may consider this option.

Key dates:

- Deadline for manuscript submission: 31th October 2015
- Target publication date: Early 2016

Further information, such as author guidelines, formatting information, length limits, and online submission procedure will be given at due time.

If you have any questions please feel free to contact us.
